TO THE "VALKYRIE" ACCIDENT. COSTON, 18th August.

A cable dispatch from London to the Herald says:-There is quite a story behind the black balling of the owner of the Satanita, A. D. Clarke last week by members of the Royal Yacht Club squadron after being proposed by the Prince of Walss. The story dates from the collision of the Valkyrie and the Saturita on the Clyde, in which the former was snuk. Lord and Lady Lennox were on board the Valkyrie at the time of the collision and Lady Lennox was much prostrated by the accident she barely getting off with her live.

Lord Lendox and her ladyship are prominent in. British society. Lady Lennox is quite a surplus of Jawish wanderers found a way there yachtswoman and enjoyed the honour of being from other enstern parts, that the Purks, bave the only lady on board the Valleyrie in her first been stirred out of their constitutional torpor intended race against the Vigitant in British long enough to consent that the town's water waters. The shock was also felt in Corinth, Vastizza, Zante, Thebes, Chalois and Atalanta, The inhabitants of some of the places affected were terribly frightened, thinking there was about to be a repetition of the disesters that occurred some little time ago. They fled to the fields and other open places for safety. So far as known no persons were killed. LOSS OF TWO OF THE MEN OF THE BEITISH

YACHT "BRITANNIA." LONDON, 26th August.

Mate Simons and Caterer Roper of the Briannia, which is now at Weymouth, left for the shore yesterday, taking with them Engineer Brookman of the steam yacht Tabura. A heavy storm was prevailing at the time. This morn ing the dingy was found floating bottom up, and t is feared that the occupants were drawned. It is expected that the Prince of Wales, who has been notified of the accident, will order the Britannia not to take part to-morrow in the Regatta of the Royal Yacht Club off Torquay. in which she is enfered. THE JERUSATION BOOM.

LONDON, 26th August. Jorusalem is growing in population so rapidly since the railroad has been opened, and the both were fitted out in the way of clothing for ducts supposed to date from Solomon's reign, and to which new conduits are to be joined.

BIGNALLING AT BEA. LONDON, 26th August. The British Covernment is testing a new plan for signalling at sea which mas already yielded they lost, but without prejudice, so that such a remarkable results. It consists morely of an ordinary gong fastened to the bow of a ship below the water-line. This acts as a transmitter and the receivers are goings of exactly similar tone and rate of vibration, one on each side of the ship below the water-line. The receiving gong will take up and reproduce the sound of the soudling gong from a long distance. Already signals
